Schedule I, Part I, Line 2 - Grants are made to partially sponsor US regional conferences related to the establishment and promotion of the free and open source programming language Python. Grants are also made to support the development of key features for the Python language. These grants were fixed dollar amounts approved by a majority vote of the Python Software Foundation board members. These funds are accounted/reported by aggregating the amounts of the funds transferred by wire and bank checks. There were no non-cash expenditures. Travel to PyCon may be partially reimbursed for individuals who otherwise could not attend. These reimbursements are determined by a PyCon volunteer committee based on financial need. Payments are made jointly by the chair of the committee and the Foundation treasurer for receipted expense up to a predetermined limit.
