<p>Computer Science Research: PyCon 2006 was held February 23 - 26, 2006 in Addison, TX at the Dallas Marriott Quorum. A day of Python tutorials was held before the conference, and a four day Sprint was held after the conference ended. The Developers conference targets developers of open source and commercial Python applications. The PyCon conference provides opportunities to learn about significant advances in the Python development community and to meet fellow developers from around the world. The Conference fosters education and development of Python. Education sessions within the Conference are presented to address topics of interest like object oriented programming, string and regex processing, HTTP protocols, database access, scientific computation, and game development.
